The features of each book or program were developed by the publisher and do not reflect the opinion of the Kentucky State Review Team Kentucky State Textbook Commission or the Kentucky Department of Education.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

The features of each book or program were developed by the publisher and do not reflect the opinion of the Kentucky State Review Team Kentucky State Textbook Commission or the Kentucky Department of Education.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

The features of each book or program were developed by the publisher and do not reflect the opinion of the Kentucky State Review Team Kentucky State Textbook Commission or the Kentucky Department of Education.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

The features of each book or program were developed by the publisher and do not reflect the opinion of the Kentucky State Review Team Kentucky State Textbook Commission or the Kentucky Department of Education.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.

The features of each book or program were developed by the publisher and do not reflect the opinion of the Kentucky State Review Team Kentucky State Textbook Commission or the Kentucky Department of Education.

Content Story Blossoms« was created to support shared reading, to develop fluency, and to provide models for young writers. Appropriate for K-3 students, these stories will improve your students' print awareness, oral language skills, and reading comprehension. A variety of text types are presented, along with opportunities to practice sight word vocabulary and word attack skills. The series includes 24 titles that are also available in Big Books and audiocassettes.

Student Experiences Each Story Blossoms« provides students with a visual experience and a textual one. The illustrations help to support the text and cultivate the joy of reading. Whether at the emergent, early, or fluent reading levels, students will be able to predict story outcomes and see how different text types are needed for storytelling.

Assessment Formal and informal assessment activities for the teacher are built into Story Blossoms« Teacher Notes. The shared reading process is extended into writing and cross-curricular activities.

Organization Each of the 24 titles of Story Blossoms« has Teacher's Notes which provide a detailed lesson plan for each title. Lesson plans are structured to provide the shared reading experience, before, during, and after reading. In order to promote effective literacy development and strengthen skills necessary for comprehension, these lesson plans also target oral languages and phonemic awareness. The teaching focus and skills are clearly marked for each lesson and help guide teachers in their instruction. Writing is a focus of this collection, so teachers will find multiple resources within their notes for practice and assessment.
